

DO YOU HAVE A PROBLEM WITH DRUGS OR ALCOHOL?

Please respond to the following questions with complete honesty. Your answers and the steps you take may be a matter of life or death.

_____ Have you ever lost a job or a meaningful relationship as a result of your drinking/using?

_____ Do you ever find it difficult to care for your children or impossible to go to work or school due to your drinking or drug use?

_____ Do you use/drink more now than you used to?

_____ Have you ever tried to quit or slow down your drinking/drug use and been unsuccessful?

_____ Do you drink or use alone? Have you decreased your level of recreation or social activity?

_____ Have you ever had the morning shakes?

_____ Have you ever had a blackout when using/drinking and did not remember some things the next morning?

If you answered "yes" to any of the above questions, you may be addicted to alcohol or drugs or at great risk for addiction. If you answered "yes" to two or more you may need professional assistance.
